

The Indian Peanuts

Savor the Richness of a Nutrient-Rich Delight

Peanuts, groundnuts, or even monkey nuts, these small, oval-shaped nuts have a long history as one of the earliest legume grains cultivated by humankind.

About Us

- **Net Benefit Limited is an independent manufacturing, procurement, trading, and exporting company based in India's trade capital, Mumbai.**
- **We are specialists in the packaging and procurement of high-quality agricultural goods from their roots.**
